JOIN US FOR A DAY!

On behalf of California FCCLA, we'd like to welcome you to participate at the 76th annual FCCLA State Leadership Conference, April 22–25, 2023, at the Riverside Convention Center. This event is for high school students from all across California competing in Family and Consumer Science based events. The Family and Consumer Sciences field encompasses various industries, including Culinary or Food Science, Education, Child and Family organizations, Fashion and Marketing, and Hospitality, Tourism, and Recreation.

We are looking for business professionals in the Family and Consumer Sciences to present Career and Leadership Workshops on Sunday, April 23 and Monday, April 24.

If you have considered teaching a class about your industry, or presenting a TED talk about your experiences and expertise as a career professional, please join us as a Workshop Presenter. If you are interested in presenting a workshop that will give students new insight into what you and your organization does, we would be grateful to have you as our Special Guest.

LCD projectors are available for audio visual media and PowerPoint; however, workshop space is limited. If you're interested in participating, please complete and return the attached proposal form or use the online link: <https://forms.gle/RmpSqjDEe43eCAZu7>. If you have any questions, please contact Beth Bettencourt, Conference Coordinator at bbettencourt@ca-fccla.org or Melissa Webb, CA FCCLA State Advisor at mwebb@cde.ca.gov.
