Whats their story ?

This is only the 2nd year our school has offered FCS courses. Knowing that FCCLA is the CTSO for FCS I wanted to offer students the opportunity to be a part of it. We just finished our first fundraiser (scrunchie sale). It was a huge success. This week we are volunteering for a community event called Lights On After School (they close down part of Main Street and have games and vendors for families). We are also volunteering at a gala put on by Alpha Pregnancy Help Center in November. We are currently planning our first social - an ice cream party for all students in FCS classes as well as an officer dinner out to plan out the rest of the year.
