

38th

Annual Family and Consumer Sciences
Leadership and Management Conference

"Engineering the Future"

June 19-23, 2023

Embassy Suites, Monterey, CA

Call for Presentations

The Annual Leadership and Management Conference is an opportunity to learn new techniques, network, become inspired, renew our passion for teaching, and transform the ordinary into the extraordinary. FCS instructors are encouraged to share their expertise and materials with other conference attendees. There will be four groups of concurrent sessions offered during the conference to allow opportunities to learn new teaching strategies, new technology, what's new in the various pathway programs, legislation affecting education, and much more.

Please complete the following form to be considered as a possible presenter for concurrent sessions. Topics include but not limited to the following:

- Effective assessment tools
- Implementing Advisory Committees
- Innovative curriculum development in Career Pathways
- Integrating the academic standards into the FCS Program
- Linking the classroom to the workplace
- Making FCCLA integral to instruction
- Modifying lessons for universal access
- Promising practices for middle grade programs
- Successfully using Public Relations to improve and expand programs
- Technology in the classroom
- Successful a-g implementation
- Other: _____

Each presenter or team of two will receive a \$70.00 discount from registration fees.
