

Seat Challenge

Day 1

"Sit in birthday order so that the person with the birthday closest to January 1 sits in Seat 1. The year you were born doesn't matter. Don't skip seats. When everyone is seated, the student in Seat 5 will raise his or her hand and report that the class is ready to begin."

Seat Challenge

Day 2

"Line up in alphabetical order by the name you like to be called. Use last names and then middle names as tie-breakers. Then sit with numerically in order 1-?. When all are seated, the last student raises his or her hand and reports that the class is ready."

Seat Challenge Day 3

1) Complete this challenge in complete silence: Remain silent for the entire activity. Do not talk or whisper after you enter the room.

2) In the room, line up in order by height.

3) Then take your seats with the shortest person in Seat 1.

4) Do not skip seats.

5) When the class is seated, the student in Seat 12 raises his or her hand, and when called on reports that the class is ready.

Seat Challenge Day 4

"Sort yourselves into two groups: sneaker wearers and non-sneaker wearers. Next, each group forms two subgroups: students with curly hair and those with straight hair. You have curly or straight hair if you think you do. Each sub-group finds enough chairs and sits in order from the person with the shortest hair to the person with the longest hair."

Seat Challenge Day 5

"Form two groups—students who prefer to spend free time indoors and those who prefer to spend it outdoors. You may like both but choose just one. Within those groups, define your own subgroups based on the last thing you did when you spent free time the way you wanted to. Find a place to sit together and talk about your free time activity."
