

The Shopping List

**Directions:** This is a three part assignment. **Part one**-you are to make a shopping list for your perfect partner. What interpersonal qualities must they possess? What physical qualities must they possess? What interpersonal or physical qualities must they not possess?

| Interpersonal - Must Have | Interpersonal - Should Have | Interpersonal - Must Not Have |
|---------------------------|-----------------------------|-------------------------------|
| 1.                        | 1.                          | 1.                            |
| 2.                        | 2.                          | 2.                            |
| 3.                        | 3.                          | 3.                            |
| 4.                        | 4.                          | 4.                            |
| 5.                        | 5.                          | 5.                            |
| 6.                        | 6.                          | 6.                            |
| 7.                        | 7.                          | 7.                            |
| 8.                        | 8.                          | 8.                            |
| 9.                        | 9.                          | 9.                            |
| 10.                       | 10.                         | 10.                           |
| 11.                       | 11.                         | 11.                           |
| 12.                       | 12.                         | 12.                           |
| Physical -Must have       | Physical -Should have       | Physical -Must Not have       |
| 1.                        | 1.                          | 1.                            |
| 2.                        | 2.                          | 2.                            |
| 3.                        | 3.                          | 3.                            |
| 4.                        | 4.                          | 4.                            |
| 5.                        | 5.                          | 5.                            |

Part II: Draw visual representations of your perfect mate interpersonal and physical qualities.
